Letter of Recommendation for:
Robert P. Dahlgren

Bob Dahlgren has worked with me during the past year in developing marketing opportunities for Draper in the area of optics/electro-optics. He is an enthusiastic self-starter who is both technically competent and able to develop strong relationships with potential customers. He has located several important teaming opportunities on his own initiative.

I highly recommend him and would be happy to discuss the matter further on the phone with any interested party.

Sincerely Yours,
