SUBJECT Complete Disclosure
for Trade Secret
Docket A60-2151

The Patent Committee has recommended that your invention be treated as a Trade Secret and that a Complete Disclosure be submitted on your invention entitled "Fiber Optic Coupler Fusion Furnace". The treatment of this invention as a Trade Secret requires a complete and detailed disclosure of the invention.

The Corporate Inventor's Incentive Award Policy provides for an award of \$250.00 upon completion, submittal, and acceptance of a clear, detailed and complete written disclosure of your invention.
